Publishing in Academic Journals: tips to help you succeed

Speaker: Matthew Cannon & Biplob Kamrujjaman
Taylor & Francis Group

Submitting a paper to a journal, understanding peer review, and getting your paper accepted can seem a mysterious process. To help demystify publishing a journal article, Taylor & Francis, in collaboration with the British University in Dubai, will be presenting at this event to help you understand the publishing process, the various steps involved, and offer tips and advice. Some of the topics covered in this workshop include:

- How to choose the best journal for your paper
- Open access publishing
- How to prepare the perfect paper (and what to avoid)
- What peer review is and how to navigate the process
- How to promote your research and understand its impact
